State Opioid and Stimulant Response Line-Item Budget Change (Attachment II)

Mr. Cawrse shared when the State Opioid and Stimulant Response 3.0 budget was originally submitted to OhioMHAS, the admin line was calculated at 10%, which is what OhioMHAS state was the allowable amount. The budget was later sent back to the Board stating the max admin funding is 5%. In Attachment II you will find the original budget as well as the new budget, reflecting this change. The total amount of funding for Oriana House's budget did not change, the change is simply lowering the admin budget line and increasing printing/copy budget line. Committee members were in support of this change to ensure we are complying with the rules for this funding.
