

Huron County Board of Mental Health and Addiction Services

2 Oak Street • Norwalk, Ohio 44857 • 419-681-6268

The Huron County Board of Mental Health and Addiction Services (MHAS) is hosting the 4th Annual Huron County Recovery Walk and Color Run on September 14th, 2024, at the Norwalk Reservoir. We seeking to recruit local financial support to help make this recovery event possible. Details regarding the event may be found in the flier at the end of the letter.

This year's theme is "No One Walks Alone". Our goal each year with the Recovery Walk is to bring Huron County residents together to celebrate those in recovery from mental health and substance use challenges, distribute resources, share stories of recovery, and to demonstrate to those still struggling that there is hope and that they do not have to walk alone.

We estimate having 100 attendees at the walk this year, at no cost for individuals to participate in the event. We are seeking to recruit local financial support from community partners and individuals which will be utilized to purchase food, water, t-shirts, and activity items for the individuals and families who attend the walk. As a financial supporter of the Huron County Recovery Walk and Color Run, your organization and company logo will be recognized at the event and in all press releases, radio, and social media advertisements promoting this event.

If you are interested in contributing towards our efforts in the community to support individuals struggling with mental health or substance use challenges by providing financial support for this event, please fill out the requested information and return this letter with the accompanying financial support by Friday, August 23rd.
